SLED PULLING

WITH GRATITUDE

This was a big week for Husky Football and kind of an all hands on deck situation!

Thanks goes out to the Persky family for hosting last week's O-Line dinner!

A shout out to our chain gang experts last Monday: Seth VanderVlucht, Steve Owens, Shannon Uehling, Brian Wroten, and Chris Knapp!

Thank you to all of the parents who donated items to the Varsity Team dinner on Thursday and thank you to Beth Belton, Barb McEntire, Nathalie and Ryan Ozbun, Heather Biggar, Todd Hotze and Amy Peterson for helping serve!

Thank you to Barb McEntire, Malinda O'Hara and Heather Filing for putting up door decs celebrating our seniors this week!

A big thank you to Diane Feliciano, Beth Belton, Kelly Moser and Tricia Wolverton for braving a late season locker room to decorate it for the boys this past week!

Senior Night was so much fun, and thanks to possible bad weather - a lot of people came together at the last minute to make Friday night a success! Thank you to Sammy Chandler and Becky Zehr for making all of the senior events this year so fun and seamless, and also for contacting all of our senior parents on Friday to make sure all of them could make it in time to celebrate their players. A big thank you to Gina Foster, who not only put together this year's amazing Senior Program, but also worked with the BVNW staff

to put together the senior night script and the video presentation! Thank you to Michelle Marshall for getting the flowers for senior night and to Kelly Wiens and Laura Pinkepank for putting together the beautiful bouquets! Thank you to Kendra Foster-Howze and Geffen Liberman for helping organize the freshmen players, and Geffen and Jerry Gander for hanging the senior sheets after the presentation! Thanks also goes out to Heather Filing for making sure the players and parents each got their bouquet, cards and programs, and to Michelle Marshall for helping with organization and tear down! A big thank you to all of the freshman players who participated and to their parents for getting them there despite the time change! Thanks, as well, to Kendra for taking pictures and Laura Pinkepank for putting them in a drive for distribution! Senior Night was a success because of each one of you! Senior Night would not be Senior Night without our senior parents! A HUGE thank you to each of the senior parents who changed their schedules around with very little notice and made it to the DAC to celebrate their kids!

Game time changes on the day of the game require a lot of adjustments. A big thank you to the entire QB Club for coming together to make sure every aspect of game day was covered! A big thank you to Kendra Foster-Howze for grabbing chips for the boys, Amy Peterson for dropping off two coolers of Gatorades, and Kendra, Sammy Chandler, Megan Ray and Geffen Liberman for serving dinner to the boys who didn't have time to make it home before the game!

A big shout out to Sammy Chandler and Malinda O'Hara for making sure their tailgates were ready for fans and Husky Football families to arrive earlier!

Thanks to our amazing tunnel crew: Ben Peterson, Karl Marshall, Brent Berry, Mark Wilson, Scott Chandler, and Jerry Gander! Also, a big shout out to Ben Peterson for fixing the smoke machines for the tunnel this week! Thank you, as well, to Megan Ray for selling programs during the game!

We also just really want to recognize all of the QB Club Liaisons for making sure changes were communicated quickly, jumping in to help where needed, and thinking about things in a crunch (like boys needing to eat and ideas on what to get- thanks Malinda, Heather and Barb!) to make sure everything was covered. Every single liaison helped out! Husky Football is very fortunate to have such a great group working behind the scenes, which is evident in how smoothly everything went on Friday.

Last, but definitely not least on the list of thank yous is for our fearless pancake crew! Thank you Barry Linden, Brent Berry, Todd Hotze, Chad Ray, Ben Biggar, Peter Rudd and Jerry Gander for feeding the boys after film!

Thank you, everyone, for helping to #PulltheSled!
